Jamabro Wines—Every label tells a story

We are a “hands on” family owned winery situated in the renowned quality wine region, the Barossa Valley.

Our grape growing heritage spans 6 generations, and our passion for winemaking is genetic. All of our labels tell an unique family story of history, remembrance and experiences along our new journey to bring you handcrafted, affordable quality wines.

NV Spiraz Sparkling Shiraz

This label is in honor of muso’s and their dedication and love for music. It especially highlights a family member, and his musical talents. “Our son Jacob is a keen musician. He plays trombone in four different bands. A 4th generation musician, this wine is a lot like him—classy and full of sparkling overtones.”

The Shiraz Vineyard

The Shiraz for this wine is a special blend sourced from a selection of our Shiraz vineyards ranging in ages from 15—40 years old. They also reside on a number of soil types.
